

“I still want to learn”

to respond to those enthusiastic voices...

Learning opportunities suitable for Shiga prefecture will be considered so that independent learning can be promoted by devising learning content and utilizing information and communication technology (ICT) to

- those who could not complete compulsory education due to various reasons**
- those who were mostly absent from school for reasons such as refusing to go to school**
- those with foreign nationalities who could not complete compulsory education in their home country**

Experience ! Online Learning

You can watch the 10-minute class video made by Shiga Prefectural Board of Education by accessing the QR code on the right.

Tour ! Junior High Night School (*yakan chuugaku*)

You can watch a video to see what junior high night school (*yakan chuugaku*) is like by accessing the QR code on the right.

※Junior high night school does not currently exist in Shiga prefecture, however, a wide range of places for learning will be considered to suit the various needs of those who want to learn.
